Consignment Opportunity

We are pleased to open our boutique up to other local artisans & craftsmen. The boutique specializes in handmade, re-purposed & vintage items. The store reflects a collection of items that are based on the following criteria:

Color scheme: White, Driftwood, Gray & anything Weathered or Smokey.

Concept: The North Fork of Long Island = seashores, farmers markets, driftwood, pebble beaches, shells, simplicity, tranquility, rustic, organic, wine country, sailing, barns & a few other ditties.

Quality: We recognize that there are many creative personalities & art is subjective, however there is that fine line of what is appropriate for a boutique & that which will sell. No matter what your craft, quality & workmanship is the strongest criteria for accepted applications.

Salability: We also appreciate that there is much diversity in arts & crafts. The bottom line is that it must appeal to those shoppers who will buy it. The items we carry at The White Weathered Barn are classic & elegant, based on nature, slightly rustic, slightly modern & of specific taste.

Price: We understand more than anyone how much time goes into handmade work, but we understand more that it needs to sell, especially in today's economy. At our boutique we have items starting at \$3.00 all the way up to \$1000 plus. A buyers perspective on the worth a handmade item isn't always equitable to the time we actually spent on it. We can share with you what we feel the market will bear & what is appropriate for this location.

Originality & Diversity: The application process also takes into consideration the current merchandise displayed in the store as well as surrounding boutiques.

Currently we are looking for handmade jewelry*, greeting cards & paper crafts, crochet & knit, home accents, home sewn gifts & accessories, pottery & tableware, vintage silver, table linens, fine art, wood working, accent furniture & nature based decor.

*Jewelry: This is the first & most popular category. While it is also a top seller, we can not entertain styles that are too similar to eachother.

At this time, we are **NOT** looking for candles, bath & body care or lavender products as those categories are complete.

Please feel free to contact us for more information.

Please do not stop by the shop if you have not submitted photographs.

Thank you,
